Continued Examination Under 37 CFR 1.114

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on 10/16/2006 has been entered.

EXAMINER'S AMENDMENT

2. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

---- Claim 16 is cancelled and last paragraph of claim 1 is amended as below:

a seal ring interposed between the first and second seal surfaces, said seal ring comprising an inner circumferential part and an outer circumferential part, said inner and outer circumferential parts being in contact with the first and second seal surfaces so that an unattached zone is defined all around between the inner and outer circumferential parts, wherein the seal ring has a cross section formed in an H-shape all around.

---- Claim 17: Last paragraph of claim 17 is amended as below:

a seal ring interposed between the first and second seal surfaces, wherein the seal ring has a cross section formed in an H-shape all around.

---- Claims 7, 11 and 14 which were withdrawn earlier on account of restriction are rejoined.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Edward L. McMahon on 11/21/2006.

REASONS FOR ALLOWANCE

3. The following is an examiner's statement of reasons for allowance: Claims 1 and 17 are allowable for specific seal shape in the context of other limitations.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
